BUYING GUIDE

95 **Fess Parker 2008 Ashley's Vineyard Chardonnay**
(Sta. Rita Hills); \$28. Don't drink this beauty too cold with your lobster, crab or scallops. It has the weight of a noble wine, with minerality and creaminess giving shape and texture to the leesy, yeasty flavors of pineapples, Key lime pie and ripe pear purée. Aged in 40% new French oak, California Chardonnay hardly gets any better than this. *Editors' Choice.*
