EPIPHANY

90 points – Epiphany Cellars, Santa Barbara County Grenache Blanc, 2010

“Extremely floral aromatics, white flower and lychee with hint of lemon peel as well. Aromatically very nice. Adore the mouthfeel of this wine, with its appearance of Residual Sugar make this extremely delicious with a nice, sweet and sour complexity. Makes my mouth water! Reminds me of a menthol candy as well, and I almost feel like every dude needs to keep it in their back pocket because it will refresh their breathe before the big kiss. Look for this wine to last another 3-5 years easy, and pair with a wide variety of fish dishes.”
